Career Guidance Webinar Higher Education and Career Opportunities in Basic and Applied Sciences 8/02/2022

Report

Student Progression and Alumni Association committee organized career guidance webinar on 08/02/2022 at 12.00 pm. Ms. Apurva Mahajan, Research fellow CSIR Institute of Microbial Technology Chandigarh guided students on "Higher Education and Career Opportunities in Basic and Applied Sciences." Speaker guided participants about how to execute planning for higher education in basic and applied sciences and how to build up career in renowned institutions. She gave detailed information of various entrance examinations for undergraduate, postgraduate and Ph. D. admissions. Speaker solved the queries of participants in question-answer session and cleared concepts.

Brochure was circulated through social media in colleges and educational institutions. Around 200 participants in online and offline mode attended this webinar. Undergraduate and postgraduate students, research scholars and teachers from various institutions all over the India attended webinar through Google meet. Ms. G. V. Ade was convenor and Dr. S. I. Khan coordinated this event. Dr. P. S. Thakur IQAC Coordinator gave keynote address and Dr. B. K. Mendhe gave inaugural speech. Dr. A. S. Bhadauriya anchored this program. Ms. G. V. Ade introduced speaker and Dr. S. I. Khan proposed vote of thanks. Principal Dr. S. Narayan Murthy supported in all ways for successful completion of this event.
